Michael Honeycutt, Ph.D.
Chair
Science Advisory Board
U.S. Environmental Protection Agency
1200 Pennsylvania Avenue, NW
Washington, D.C. 20460

Dear Dr. Honeycutt:

Thank you very much for your consultation report about updating the U.S. Environmental Protection Agency's Guidelines for Carcinogens and Non-Cancer Risk Assessment, which I received on July 15, 2019. The report and consultation comments from the EPA's Science Advisory Board and the Chemical Assessment Advisory Committee, together with all related public comments from the June 5, 2019, SAB meeting, have been provided to the EPA's Risk Assessment Forum for consideration in the implementation of this project.

Please pass along my appreciation for the timely and meaningful contributions the members of both the advisory board and committee have made to this project.

Sincerely,
