I would like to thank you and the members of the Science Advisory Board for sending your report "SAB Recommendations for the U.S. Environmental Protection Agency's FY 2021 Scientific and Technological Achievement Awards."

I appreciate the tremendous effort required to screen and review the applications submitted for the awards this year and am thankful to the Science Advisory Board's awards panel for its participation.

I am pleased to adopt the recommended nominations of the panel and have already taken steps to formally announce the winners and release the certificates and monetary awards.

Your continued assistance with this important program is critical to its success. Please accept my gratitude and best regards.
